Información adicional

We are V Collective. The San Diego salon that celebrates and elevates the craft of hairdressing. While grounded in foundational and technical expertise, at V Collective, we seek to explore the unique beauty and individual lifestyle of every client and translate that into an exceptional hair experience.

After 12 years of starting and growing dk hair, David Valencia has sold his half of the partnership so that he and Tina could follow their passion, align with the leaders in the hair industry and take the craft and commerce of hairdressing to the next level. As part of the Creative Counsel, Tina and David have joined forces with “some of the most forward thinking, rule-bending hairstylists in the business that are a think tank of top editorial and salon stylists and educators.”

V Collective is the first salon in San Diego to exclusively offer our clients all 4 luxury brand partners products which allows us to deliver remarkable services and home care to our guests.

R+Co, Oribe, Vaughn V76, Smith & Cult and Goldwell.
